

COMMANDER'S CORNER

A BIG thank you to all those that helped and continue to help with our post home updates. If you have not been in the canteen in a while, you need to come check it out. It looks fantastic!

I had the privilege to watch our Honor Guard render military funeral honors and perform Color Guard duties at the opening ceremonies for the Tennessee American Legion State Baseball Tournament. We should all be proud of the great job they do.

Just a heads up, next month (September) will be our annual membership fish fry.

Once again, thanks to our renovation crew.
God Bless America!

WORDS FROM THE HEART

August often feels like a sacred bridge. It stands between the fullness of summer and the quiet anticipation of a new season. The days may still be warm and bright, but something subtle begins to shift. Schedules change. Schools prepare to reopen. Goals we set at the beginning of the year quietly resurface in our thoughts. August invites reflection, renewal, and realignment.

May this month be filled with God's favor, protection, and unexpected blessings. May your faith grow stronger, your burdens grow lighter, and your heart remain confident that the same God who carried you through the first half of the year will faithfully guide you through the rest.

Several volunteers have put in numerous hours to update and renovate our post home, and it looks incredible! Thank you to all who helped! Please see the flyer about a local young lady who is hosting a birthday blood drive to help benefit the local area and Bo's Blessings. This is a great event, and all support and help are appreciated! Come just sit, have a drink, watch a ball game, socialize with friends and enjoy; there is always something for you to do. "See You There"
